

AGENDA FORUM NOTES

Tuesday 18 November 2025

Disclaimer

The Shire of Irwin:

 advises that the purpose of an Ordinary Council Meeting is to discuss and, where possible, make resolutions about items appearing in the agenda. No person should rely or act on the basis of any decision, advice or information provided by an Elected Member or Officer, or on the content of any discussion occurring during the course of the meeting. No person should rely on the decisions made by Council until formal written advice of the Council is received by that person.

- expressly disclaims any liability for any loss or damage whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Agenda Forums, Council or Committee Meetings.
- disclaims any liability for any loss arising from any person or body relying on any statement, discussion, recommendation or decision in the audio recording. Council minutes provide the definitive record of Council's resolutions.

Nature of Council's Role in Decision Making

Advocacy	When Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.	
Executive	The substantial direction setting and oversight role of the Council e.g., performance of the Local Government's function under law, administration of Local Laws, adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.	
Legislative	Includes adopting local laws and local planning schemes.	
Review	When Council reviews decisions made by Officers.	
Quasi-judicial	When Council determines an application/matter that directly affects a person's rights and interests. The judicial character arises from the obligation to abide by the principles of natural justice e.g., local planning applications, building permits, other permits/licences (e.g. under the Health Act, Dog Act or local laws) and other decisions that may be appealable to the State Administrative Tribunal (SAT).	

By allocating these roles, the Shire ensures that the Council's decision-making is structured and aligned with its legal responsibilities, allowing it to effectively govern, serve its community, and maintain compliance with applicable laws.

4. PUBLIC QUESTION TIME

Deputation:

Mr Barry George of 197 Pettit Road, Dongara, requested that the Shire consider reverting the name of Pettit Road to its original and historically significant name, Pettit Lane, noting its longstanding community use and the unanimous support of all current residents. He also sought advice on the formal steps required to progress this proposed name change through the appropriate naming authorities.

Deputation:

Mr Bruce Baskerville, Chair of the Irwin Districts Historical Society, requested that Council consider the written background briefing being prepared by the Society—at the invitation of the Shire President—when deliberating on Agenda Item 10.2 – DEV 02-11/25 Proposed Road Name Change (Pettit Road), to ensure that the social, cultural and historical context is properly taken into account.

Question 1: Ian Maluish, 5 Abbot Terrace, Port Denison

Could the Shire resume including the "reason for payment" in the Accounts for Payment statement, as was previously the practice.

Response: The Shire will consider the request.

Question 2: Ian Maluish, 5 Abbot Terrace, Port Denison

Why several neighbouring blocks, including those adjacent to and behind his property, had not been mowed in accordance with the Shire's Fire Break requirements due 1 November 2025, and asked what the Shire's policy is and when compliance will occur, given the fire risk to his property.

Response: Question to be taken on notice

Question 3: Ian Maluish, 5 Abbot Terrace, Port Denison

Who is responsible for the eradication of Box Thorn (declared noxious weed) on urban blocks as there are several infestations nearby?

Response: The Shire President advised that, should the boxthorn weed be located on private property, its eradication is the responsibility of the landowner. The Shire President further stated that, in the absence of the responsible Manager, further information will be provided.
